Singleton Agricultural Education Day

Attention: Principals and Teachers

The Singleton Beef and Land Management Association Incorporated wish to advise that the Singleton Agricultural Education Day will be held on **Friday 3rd June 2022**, at the Singleton Showground commencing at 9.00am.

Our Major Sponsor for this event is GLENCORE Australia.

This event is designed to educate students on different aspects of the Agricultural and beef industries. Aiming to provide avenues for students to practice and apply knowledge acquired from their agricultural studies. Students from 6 – 18years of age who are attending school are eligible to attend.

On this day there will be workshops for the students to attend that relate to Agriculture and the beef industry.

We have arranged some interesting topics for the students this year. With a Junior Judging Workshop with Cattle selection, plus MLA (Meat and Livestock Australia) will be attending plus MSA (Meat Standards Australia) will be there to discuss all things relating to Beef Carcass assessments, with an introduction to ICMJ (Intercollegiate Meat Judging).

We hope you can attend this informative day.

Kind regards,

Leonie Ball
