Good Morning

### **Re: SINGLETON AGRICULTURE EDUCATION DAY**

Members of Singleton Beef and Land Management Association Incorporated are well into organising an interesting and varied programme for our Education Day to be held on Friday 21 June 2024 at Singleton Showgrounds commencing at 9.00 a.m.

This year our registration and payment system will be different from that of previous years.

All student entries and fees payments are to be done through the **TryBooking website** before Friday 14 June 2024.

You will be able to purchase the number of tickets, which is equivalent to the number of students attending, in one transaction through the website. Payment is by credit card and our organisation will pay any fees involved. Price per student is \$7.50. Please enter the name of your school in the surname section and a Tax Invoice will be produced and can be printed. Those students attending independently will enter their name and the process will be the same.

There will be NO entry on the day without pre-payment.

**The website link and a QR code have been set up for easy access. These are at the bottom of this letter.**

We still require an entry sheet with each student's name and age to be sent to [singletonbeefandland@gmail.com](mailto:singletonbeefandland@gmail.com). This allows students to be put into appropriate groups for each workshop.
